Introduction to Longmont
community profile

Longmont is a vibrant northern Colorado city of over 82,000 people, which has retained much of its small town quality of life.

- Fast growing city
- Small town feel
- 300 days of sunshine
- Spectacular view of snow capped mountains

Location

The City of Longmont is conveniently located to easily access much of what Colorado has to offer.

- Central location along the Front Range (Rocky Mountains)
- 40 minutes from Denver International Airport
- 12 miles from downtown Boulder
- Less than hour from Rocky Mountain National Park

Culture

The Longmont area is a culturally diverse community with a rich history.

- Celebration of arts through events and exhibitions
- Art in public places throughout Longmont
- Rich history dating back to 1870

Recreation

- Many activities in town or short drive away, including:
 - Climbing
 - Skiing
 - Camping
 - Cycling

- Fishing

- Golfing

- Hiking

- Shopping

- More than 1500 acres of parks and open space
- 3 municipal golf courses
- Recreation centers, parks, and open space facilities

Economy and Commerce

From its origin in 1871 as a planned agricultural settlement, the community steadily grew and became a regional, agricultural and commercial center in northeast Boulder County. A new level of rapid expansion surfaced in the 1960's spurred substantially by the Boulder-Longmont area's high tech manufacturing and advanced service industries.
